

NEIGHBOURHOOD PLANNING REPORT FOR PARISH COUNCIL 7TH JULY 2016

Lound with Ashby, Herringfleet and Somerleyton Neighbourhood Plan Steering Group (such a mouthful we have decided to abbreviate it to the 4 Parishes) are making progress.

Our application for the area designation has been accepted by Waveney District Council. Site notices that show application details, map of the proposed area and how to make comments have been posted on all the village noticeboards. The consultation period is from 1st July until 12th August.

Tony Wright the Oulton Neighbourhood Planning chair came to our June meeting to talk about the "Oulton experience" a huge amount of useful advice and experience, which is already proving helpful.

A documents archive has been set up on Lound Parish Council website so that members of the public can access minutes of our meetings and other documents, a link to this archive is now available on the ASH website. WDC have advised the group to ensure that we raise awareness of the application and indeed the Neighbourhood Planning process to engage and involve as many people as possible.

Louis Smith and Paul Strowlger have met with Waveney Community Development officer Jo McCallum to discuss the project plan Paul has drawn up to ensure that we are "heading in the right direction"

We have an excellent working relationship with our Lound colleagues and are optimistic that we can achieve a Neighbourhood Plan working with the community at the same time being realistic about the time and work involved.
