

Good morning Hugo - thank you for the reminder! The Neighbourhood Planning Steering Group are organising a Consultation Day on November 13th from 10 - 4. to be held at both Lound and Somerleyton Village Halls. If you could put this in the diary that would be very helpful. Louis Smith (chairman Lound PC and secretary to the group) will be forwarding a flyer for inclusion in the Hexagon. We hope to generate plenty of interest in the Neighbourhood Plan and it's importance to the parishes now and in the future. Many hanks Jenni Livingstone
