

Lound with Ashby Herringfleet and Somerleyton
Neighbourhood Plan Steering Group
Report to the Parish Council 6th July 2017

At our meeting on 29th June we reviewed the final copy of Oulton Neighbourhood Plan questionnaire. We all agreed that the questionnaire looks very professional and we should use the same design and printings firms. We compared our questionnaire section by section with Oultons and some amendments were suggested. There are some obvious differences, which reflect the more rural nature and size of our area – however it was very useful to be able to draw on Oulton’s experience.

A planning consultant will be required to write the Neighbourhood Plan once we have the responses to our questionnaire and steering group members agreed to use their contacts to identify a suitable consultant.

Waveney Local Plan – the first draft consultation is expected to be published on 28th July, which will include the list of preferred sites for development in the villages. The intention of the Steering Group is to publish and distribute the questionnaire as soon as possible after the Local Plan publication.

We were very grateful to ex County Councillor Len Jacklin for allocating some of his Locality Fund to enable the purchase of the software needed to set up and analyse the questionnaire.
