

**→ SOMERLEYTON**

**Coffee morning:** Tomorrow a coffee morning and jumble sale in aid of Ashby Church will be held in Lound Village Hall from 10am to noon. Stalls include plants, cakes, bric-a-brac, books, toys and games, tombola, clothing and a raffle. Admission costs £1 which includes coffee or tea and biscuits.

**Neighbourhood Plan:** The Lound with Ashby, Herringfleet and Somerleyton neighbourhood plan steering group anticipate completing the final draft of the neighbourhood plan by the end of June. The plan will include maps, appendices, and other necessary information. The Waveney District Council planning team will ensure the document is compliant with both local and national policies. It will then be scrutinised by a planning inspector before a further community consultation. The objectives and policies of the plan are based on responses to the questionnaire completed by residents last year. The neighbourhood plan will be an important document for the future. It will set out clear guidance for development while protecting and enhancing the rural; and historic qualities which we all value. If anyone has any questions or would like further information on the neighbourhood plan contact Jenni Livingstone on 01502 730610.
