

Lound with Ashby Herringfleet and Somerleyton Neighbourhood Plan Steering Group

Three cheers for the Neighbourhood Plan! Delighted to announce that the completed Plan is now with Waveney Planners for their scrutiny before another six-week consultation.

Thanks to all the residents for their support at the consultation day and completing the questionnaire. Thanks also to the Somerleyton Estate for their contribution to the Plan and both Parish Councils for their support. Thanks to the hard working and committed Steering Group.

Watch out for further news and how everybody can be involved in endorsing the final document.
