

Summary of the Lound with Ashby Herringfleet and Somerleyton Neighbourhood Plan Steering Group Zoom meeting held on Wednesday 26th August at 19.00 Report to AHS Parish Council 10th September 2020.

Present : Paul Strowger, Miles Thomas, Graham Nourse
Jenni Livingstone.

The April 2020 draft Neighbourhood Plan had been submitted to East Suffolk Council for Regulation 16 Submission and the purpose of this meeting was to review the advice and amendments given by the Planning Policy Delivery Team.

We had also received suggestions for amendments from Simon Phillips (AHS Parish Council) on **LAHS7 Provision of new Village Hall and Changing Rooms** and Mike Brackenbury (Steering Group member) **LAHS 4 Design of new Residential Developments.**

The group discussed the amendments needed – some fairly minor and others requiring rewording of the text, Policies., or other detail and some reformatting

Paul will work on the revisions for the Steering Group to approve before re-submitting to East Suffolk.

The meeting ended at 21.00. Thanks to Miles for setting up the meeting, Graham for his invaluable advice and Paul for all his hard work on the amendments. We sincerely hope that the Draft Plan will now become the Final plan.

Jenni Livingstone
