

A LOUND WITHASHBY HERRINGFLEET AND SOMERLEYTON NEIGHBOURHOOD PLAN NEWS

A summary of the final draft of the Neighbourhood Plan has now been distributed as a pamphlet to every household and business in the parishes. Many thanks to Simon Phillips and Miles Thomas for organising the deliveries and the foot soldiers for the speedy distribution.

Miles Thomas in Lound, as well as setting up the Neighbourhood Plan website has been monitoring the responses. As on Thursday 3rd December there had been 148 visitors since the release and 234 hits on the Neighbourhood Plan page, We have three published comments on the page and two emails. Paper copies have been loaned in both Lound and Somerleyton.

The Consultation Phase has been advertised on Somerleyton Together, in the Hexagon and the Lowestoft Journal.

The consultation is being held until 26th February and we hope we will be permitted to organise a “drop in” in both parishes to allow residents to ask questions and make comments.

Please make every effort to take part in this important consultation and encourage your friends family, and neighbours to get involved
Thank you for your support – best wishes Jenni Livingstone
