

## **LOUND WITH ASHBY HERRINGFLEET AND SOMERLEYTON NEIGHBOURHOOD PLAN CONSULTATION UPDATE MARCH 2021-**

The Regulation 14 consultation phase with the community, businesses and stakeholders finished on 26<sup>th</sup> February. The Steering Group would like to thank all who took part whether on line, written representations or in the two Zoom meetings.

Various important topics were raised and discussed and the full consultation documents will be available when the required amendments are completed. Concern was expressed at the loss of the shop/PO in Somerleyton, This has been referred to Ashby, Herringfleet and Somerleyton Parish Council for discussion

When the Regulation 14 amendments and additions are completed the proposal plan will then be submitted to East Suffolk Council to publicise and invite further representations. A lengthy process but necessary to ensure we have a robust Neighbourhood Plan.

Carrying out the pre-submission consultation has been a huge challenge in these difficult times and massive thanks goes to Mike Brackenbury, Paul Strowlger and Miles Thomas. Miles set up the website, monitoring the data, managing the consultation responses. We are grateful for his expertise and commitment to the task.
